

NCCTE Exemplary Program Finalist

The Agriscience program at Flowing Wells High School is one of the **8** national finalists for the National Center for Career and Technical Education (NCCTE) Exemplary Program Award.

They were visited in early November by a NCCTE team of evaluators.

Good luck from all of us!

**Congratulations to
Glendale Union High School District!
Dean Petersen and his assistant Darlene Benford
were the first to submit their Basic Grant
application and have it approved this year.**

Congratulations to

Maricopa Unified School District!

**Karla Duckworth was the first Local Director to submit
an NOI on October 30, 2002.**

**Congratulations to
Pima Unified Schools #6!
Ronna Lewis was the second Local Director to submit
an NOI on October 30, 2002.**

**Have a program you'd like us
to recognize? Send a brief
description (who, what, when,
where, why, how, and any
pictures) to Doug Deemer at
sdeemer@ade.az.gov.**
